2011 is New Balance's boom year brand in the quarter Catalog and Lookbook relatively uniformly, the guest supreme shoes expert, also coincides with the outdoor topic, so that some Classic Retro (retro running shoes are outside) style stir fried dishes, such as M991, M993, MR2002, and by wild mountain etc. Outdoor together with the appearance of the H710. Japanese Sneaker Mita and New Balance have tide shop deep friendship, the classic MT580 is a joint series for many years "the years of friendship" the best witness, but again in cooperation recently both, will for the first time in the popular climbing H series as the design object, launched a H574 version of the cooperation. As the name suggests is the variation of M574 models, equipped with ENCAP shock and rubber outsole keeps a certain function, but the most surprising thing is the use of purple blue and pink color color, very attention at the same time, also has difficulty immediately double, is another problem in your Outdoor Dress Code test!
