- News Reports Release

as a new product of the fall and winter of 2012, Puma has produced a special series of shoes with The British Millerain Co., a supplier of prestigious British fabric suppliers. Based on the two Stepper Luxe and "Roma" shoes, use British Millerain classic wax canvas for uppers, complemented by leather interior and Scotland plaid and other outdoor shoes necessary details. Among them, "Stepper Luxe" shoe model has four kinds of colour matching, and "Roma" shoe model has two kinds of color matching, enough to satisfy captious consumer!

2012-2-14 08:14 upload and download attachments (94.71 KB) well-known sports brand New Balance launched last year, ultra lightweight 890 running shoes, widely praised by consumers, just listed, they set a sales success. Spring 2012 immediately launched the second generation 890v2 shoes, lighter weight, almost feel the shoes in weight at the same time, more runners can really enjoy the easy running experience; another feature of the shoes is even lightweight but still attached shock performance, also equipped with NB Rev-Lite without a sense of innovation and technology of lightweight materials and in the end exclusive Abzorb shock absorption pad, improve the shock reducing effect of double foot pressure. 890V2 will introduce a variety of fashionable dazzling colors, I believe that New Balance 890V2 will soon be released.
